P W SECRETARIAT 4532 Date 11 4 46

Sir,

Subject - Payment of half excess cost of revised estimate for Rs 16,329 over the original estimate for Rs 13,712 in respect of 3rd Stage Drainage scheme for Nanjangud Town

In forwarding herewith, a report No H C 107/46 dated 14-3-46 received from the President, Town Municipal Council, Nanjangud on the above subject, I have the honour to state that a revised estimate for Rs 16,329 was sanctioned by Government in their order No P W 4459-61/Sany 4-45-4 dated 21st December 1945 for the above work as against the original estimate for Rs 13,712 the excess cost amounting to Rs 2,617 being ordered to be shared equally by Government under Town Improvement Grants and the Nanjangud Town Municipal Council

The Municipal Council have accordingly in their meeting held on 23rd February 1946 resolved to pay half the excess viz , 1308-8-0 out of their closing balance as provision could not be made for this in the budget for 1945-46 (copy of resolution is enclosed)

I request, therefore, that Government may be pleased to grant the other half out of their Town Improvement Grants for the year and to permit payment of the other half out of the closing balance of the Municipality for the year

I have the honour to be,
Sir,
Your most obedient servant,
Deputy Commissioner,
Mysore District

x(overleaf) 6) It is now seen from the report of the D c Nuwara Eliya that a revised estimate for the execution of the III Stage of the Scheme at Nawagamuwa has been

-portion share of the excess cost- and to the proposal of the Central Govt to meet their portion from out of the closing balance of the Mtg

~~The P.W. Secretariat should have at least~~

7/ Again, it is submitted that the matter should have been dealt with in the Leg Secretariat, in view of the fact that grants for Town improvement works are being sanctioned in this secretariat and moreover, a regular account is also kept up of the distribution of grants to several Municipalities and of the financial position of all Town & Municipalities in the State

8/ At no stage, the file has been referred to the Leg Secretariat this should have been done in order to know if there was any amount available under T.I. Grant and of the financial position of the Mtg would permit to bear any expenditure towards the excess cost involved

9/ In the above circumstances

NOTE—Contn Sheet

the procedure adopted in the P W Secty is irregular

17) The P W Secty was asked in order to bring the file leading to the T.D dated 21/12 us. It is purely an administrative question and should have been worked upon the Secty himself not even a copy of that file was sent to the Secretariat
